Internship Opportunity:

Motion Graphics Designer

Location: Brisbane, QLD

Work type: Internship/Temp (Duration negotiable)

Classification: Graphic Design, Motion Graphics, Illustration/Animation

ABOUT US

Prendi specialises in creating digital solutions by seamlessly integrating a wide range of technologies, content and interactivity into physical environments. With this vital combination, plus our professional support services, we build full-service digital solutions tailored to our client’s specific needs.

Some digital solutions we specialise in, include: Projection Mapping, Touchscreen Configurators, Augmented Reality, Collage Walls and fully-immersive Experience Centres.

For more information, visit prendi.com.au.

THE ROLE

We are looking for highly motivated students to use their Motion Graphics skills in creating truly engaging digital solutions for clients.

The type of work students will be completing includes:

- Creating animated content applicable to numerous industries and clients.
- Creating content to fulfil client requirements.
- Graphic design for promotional materials including our website and printed marketing materials.
- Creating experimental content and proof-of-concept using input based technology.
• Creating interactive content in Adobe Flash (potentially including ActionScript) which operates on touch screens in various commercial/social applications.
• The option to attend meetings with prospective clients to assess needs.

We are looking for students who have:

• Working knowledge of Adobe Suite (in particular After Effects, Photoshop, Flash, Illustrator).
• Any prior understanding of Motion Graphics.
• Any prior understanding of 3D modelling (ideal but not required).
• The ability to think outside the box and visualise multi-screen content.
• An interest in new technologies and understand their potential applications commercially/socially.
• A strong work ethic and a desire to utilise and enhance their skills.

Prendi will provide everything the students need to complete their work, including training on the digital solutions software we use, and are happy to work around their university timetables.

HOW TO APPLY

If this sounds like you, forward your application to contact@prendi.com.au.
Please note that this is an internship position and due to the high volume of applications, only short listed candidates will be contacted.
