Discover health research opportunities at UQCCR

Become part of vital UQCCR research in the areas of cancer, infection and immunity, mothers, babies and lifelong health and brain and mental health as a research higher degree (RHD) student.

To discover exciting health research opportunities available at UQCCR, join us online for our Virtual Open Day on Monday 14 September, as part of UQ's Research Week.

Join us online to take part in live-streamed Q&A Sessions, meet our current RHD students, learn about UQCCR and find out about health research opportunities on offer at UQCCR.

+ Learn more at www.uqccr.uq.edu.au/virtualopenday15

Are you thinking about further studies at UQ as a RHD student? Do you want to create change through advancing clinical research? Do you want access to world-class facilities and be mentored by internationally recognised leaders in medical research? Join us online for UQCCR’s Virtual Open Day to have all your questions answered.
At UQCCR we offer our Research Higher Degree students a world-class health research learning experience.

Check out what we have to offer at www.uqccr.uq.edu.au

+ Join us online for a live-streamed Q&A Session

Do you have questions about becoming a research higher degree student at UQCCR? Want to know more about our research themes or find out about student life here at UQCCR?

Join us online for live-streamed research theme Q&A Sessions on Monday 14 September, 2015. This your chance to ask our senior researchers and current RHD students your questions on clinical research opportunities and the student experience at UQCCR and find out what exciting Honours, Masters and PhD research opportunities are available.

To sign-up, simply email us at information@uqccr.uq.edu.au or visit www.uqccr.uq.edu.au/virtualopenday15

Sign up for one or all of the Q&A Sessions.

Each Q&A Session will focus on a UQCCR Research Theme:
- Prospective student information
- Cancer
- Brain & Mental Health
- Infection & Immunity
- Mother’s Babies and Lifelong Health

Visit www.uqccr.uq.edu.au/virtualopenday15 to view the Q&A Session Schedule.
